**L**IFE IS BEAUTIFUL! For God is there to help us in all the circumstances of life, good or bad. I'm going to share an experience which is very important to me. It is about a big miracle that happened in my family.

My mother was the one who moulded my sisters and myself in the faith and she was also a cancer patient. Every First Saturday, we had a retreat and adoration in our parish. When I was in first grade, on one First Saturday, we went for the retreat as usual. My mother always used to say that if we pray from the bottom of our heart, God would surely help and that Jesus loves children and listens to their sincere and innocent prayers.

That day I saw her crying in front of God. It touched me and I started

**FOR I KNOW THE PLANS I HAVE FOR YOU, DECLARES THE LORD, PLANS TO PROSPER YOU AND NOT TO HARM YOU, PLANS TO GIVE YOU HOPE AND A FUTURE**

(JEREMIAH 29:11).

crying as well. I prayed to God very sincerely. My mother called me and made me sit in her lap and we both prayed together. She said that God would hear my prayers and help us in this situation.

After the retreat, my parents went to see the priest who led the adoration. Father said that God had done a miracle. The Lord touched my mother and healed her. We were all very happy and we thanked God for his blessing.

This happened when I was just seven-years-old and I don't remember it very well. But one thing is sure, God will always listen to our sincere prayers, but we must wait very patiently and faithfully for him to act •
